GANGER Cannot be Gut Ou Removed with Plan

Surgical operations and flesh destroying plasters are useless, painful and dangerous, and besides, never cure Cos No matter how often a camerous sore is removed, another comes at or near the same point, and always in a mode not this prove conclusively that Cancer is a blood disease, and that it is folly to attempt to cure this deep-seated, blood trouble by cutting or burning out the sore, which, after all, is only an outward sign of the disease a place.

poister? Cancer runs in families through many generations, and those whose ancestors have been afflicted with it are in

## Only Blood Diseases can be Transmitted from One Generation to And

-further proof that Cancer is a disease of the blood. To cure a blood disease like this you must cure the entire blood system—remove every trace of the poison. Not Cancer effectually and permanently but S. S. S. sincer effectually and permanently but S. S. S.
S. S. enters the circulation, searches out and removes all taint, and stops the formation of cancerous cells, No. S. S. S. enters the circulation, searches out and removes all taint, and stops the formation of cancerous cells, No.

S. S. S. enters the circulation, searches out and removes all taint, and stops the formation of cancerous cells. No or ordinary blood medicine can do this. S. S. S. goes down to the very roots of the disease, and forces out the dead allowing the sore to heal naturally and permanently. S. S. S. at the same time purifies the blood and builds up the general control of the property o a bad form of cancer.

Mrs. Sarah M. Keeshing, 941 Windsor Ave., Bristol, Tenn., writes: "I am 41 years old, and for three years had suffered with a severe form of Cancer on my law, which the doctors in this city said was incurable, and that I could not live more than six months. I accepted their statement as true, and had given up all hope of ever being well again, when my druggist knowing of my condition, recommended S. S. S. After taking a few hottles the sore began to beal, much to the surprise of the physicians, and in a short time made a complete cure. I have guived in flesh, my appetite is spiendid, sieso is refreshing—in fact, am enjoying perfect health."

Our medical department is in charge of physicians of long experience, who are especially skilled in treating Cancer and other blood disea THE SWIFT SPECIFIC COMPANY, ATU or information santed, we make no charge whatever for this service,
